1. Introduction

Welcome to ErasmusGO, your comprehensive app for navigating life as an Erasmus student! This user manual provides detailed instructions for installing and using the app, ensuring you get the most out of its features.

2. Installing ErasmusGO

2.1 Supported Devices

ErasmusGO is compatible with Android devices running version 6.0 or higher. Ensure your device meets these requirements before installation.

2.2 Downloading the App

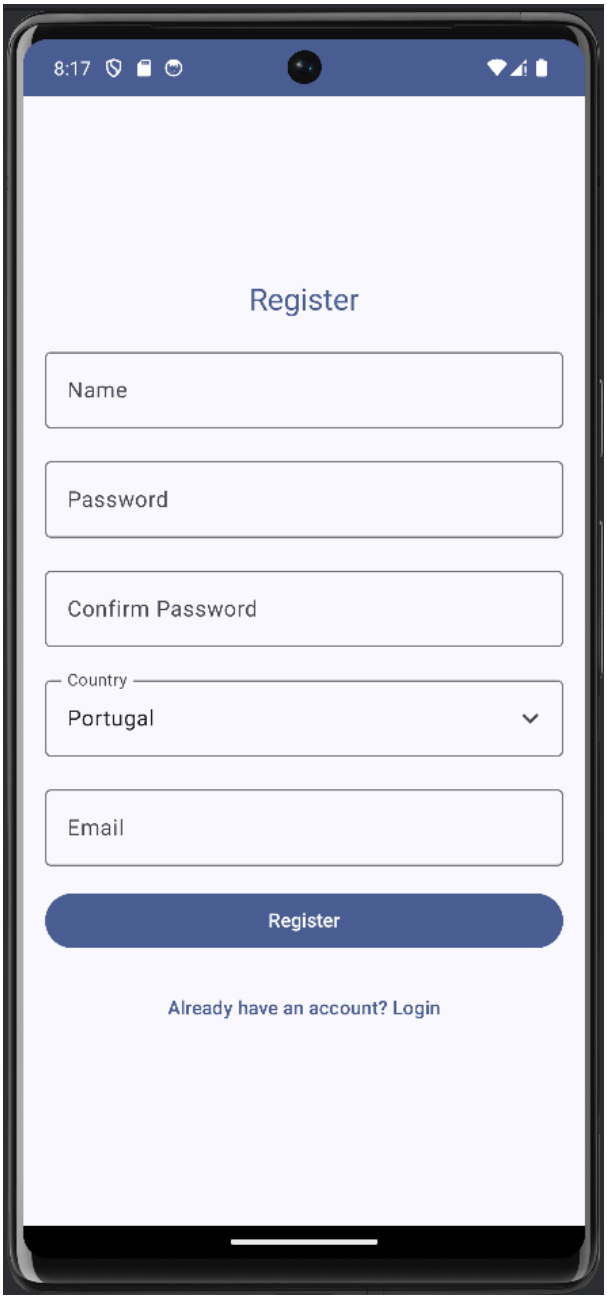
1. Visit the Github.
2. Download and click the apk, select install and wait for the app to finish the installation.

3. Open the app once installation is complete.

3. Getting Started

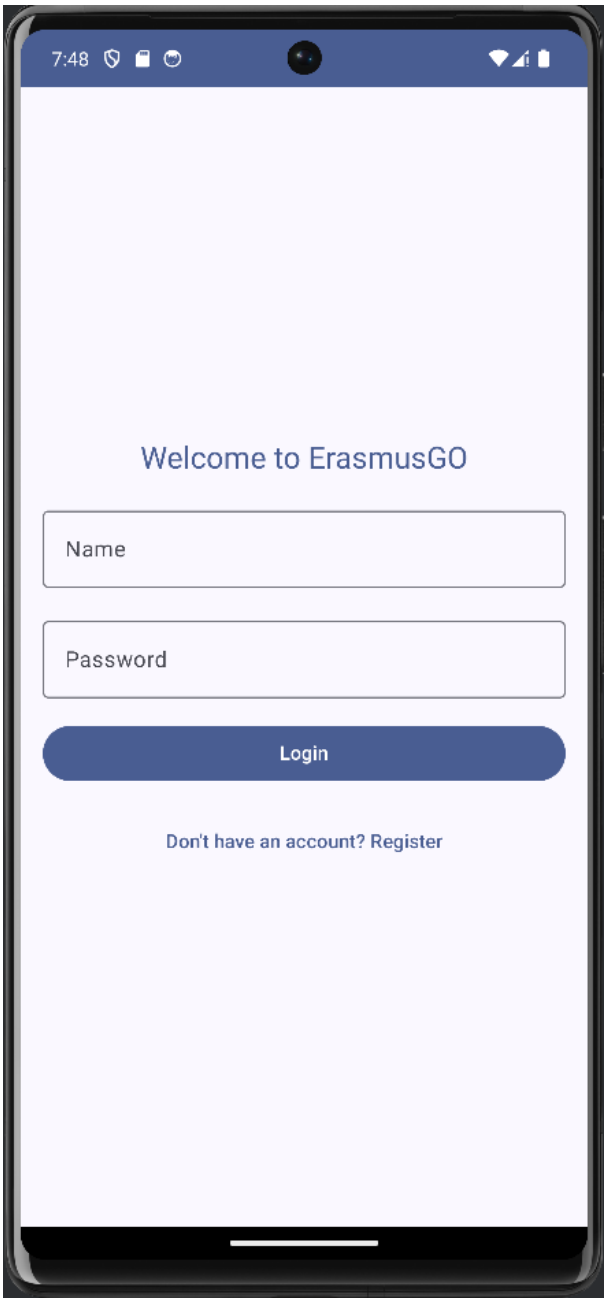
3.1 Registration

1. Open the app and tap "Register."
2. Enter your email, create a secure password, and fill in your personal details.
3. Tap "Submit" to complete registration.



3.2 Logging In

1. Open the app and tap "Login."
2. Enter your registered email and password.
3. Tap "Login" to access your account.



3.3 Password Recovery

1. On the login screen, tap "Forgot Password."
2. Enter your registered email address.
3. Check your email for a password recovery link and follow the instructions to reset your password.

4. Using ErasmusGO

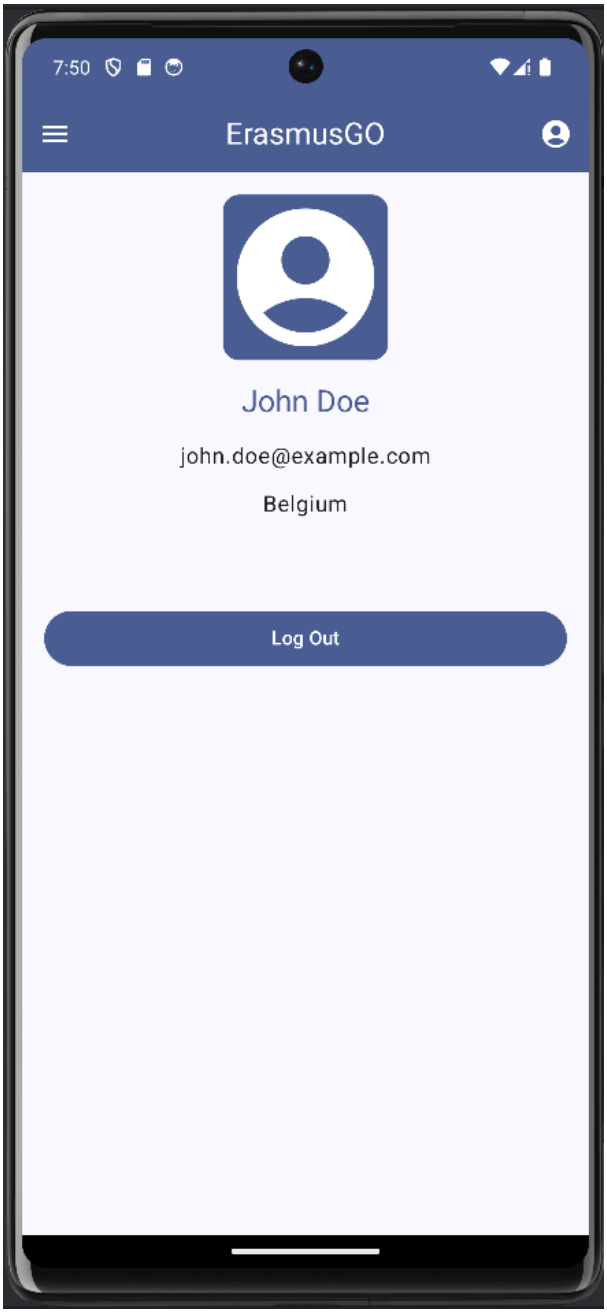
4.1 Navigating the Main Menu

The main menu provides access to all features. Use the navigation bar to explore sections like Profile, Campus Map, Events, and more.

4.2 Profile Management

1. Navigate to the "Profile" section.
2. View or edit your personal details.

3. Update your profile picture if needed.
4. Save changes to keep your profile up to date.



4.3 Campus Navigation

1. Open the "Campus Map" section from the main menu.
2. Search for buildings or classrooms.
3. Follow the map to locate your destination.

4.4 Contacting Professors

1. Navigate to the "Contact Teachers" section.
2. Search for professors by degree and course.
3. View their contact details and reach out as needed.

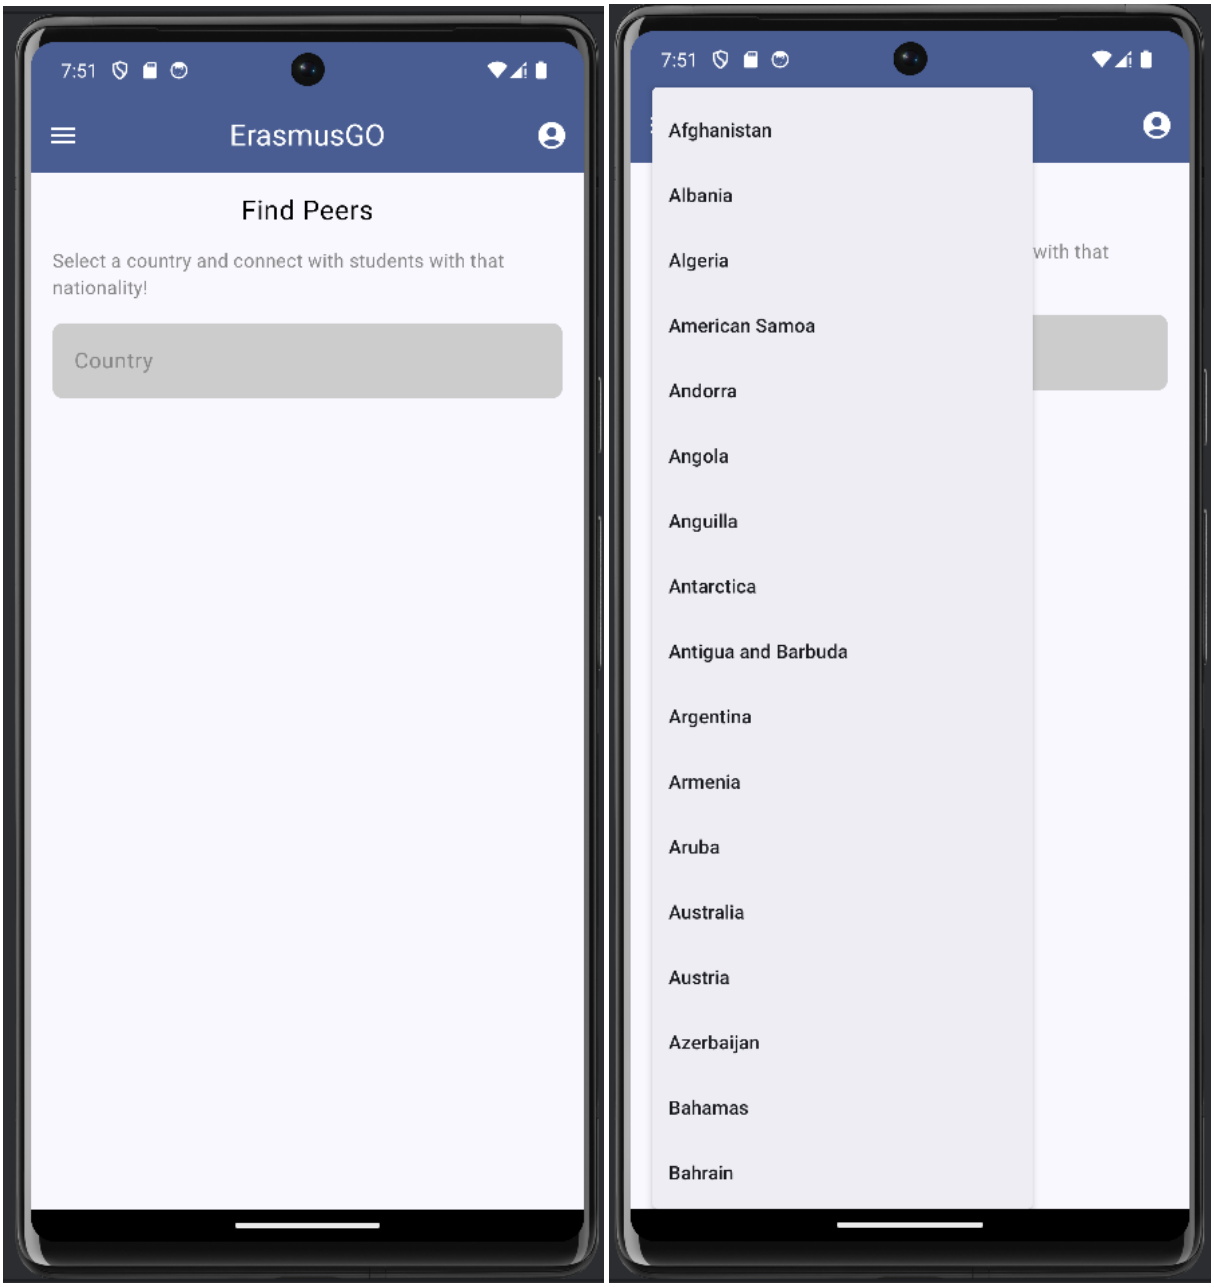
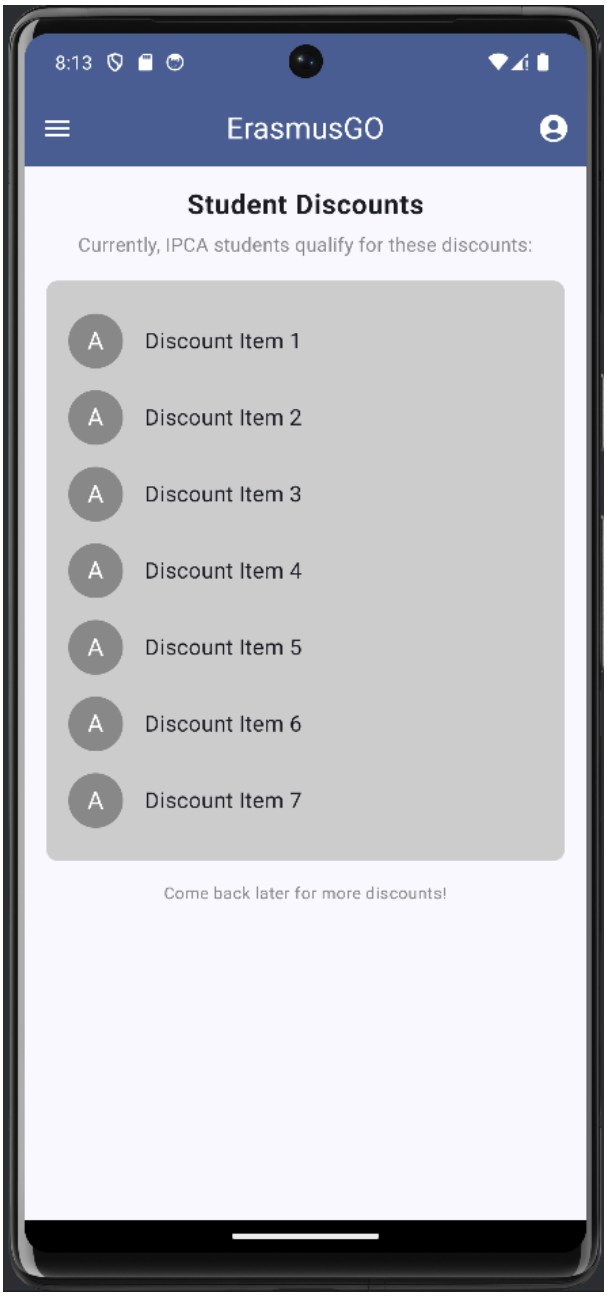
3. View profiles and connect with fellow students.



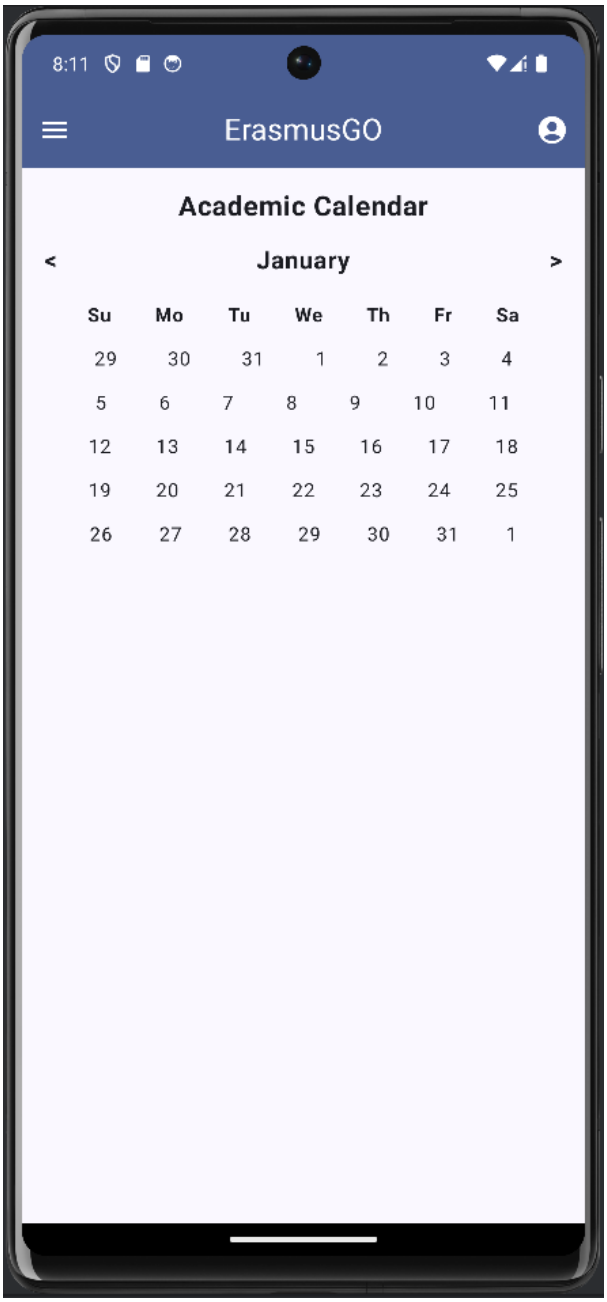
4.9 Student Discounts

1. Open the "Student Discounts" section.
2. Find your preferred discount.
3. Access details on how to redeem the discount.



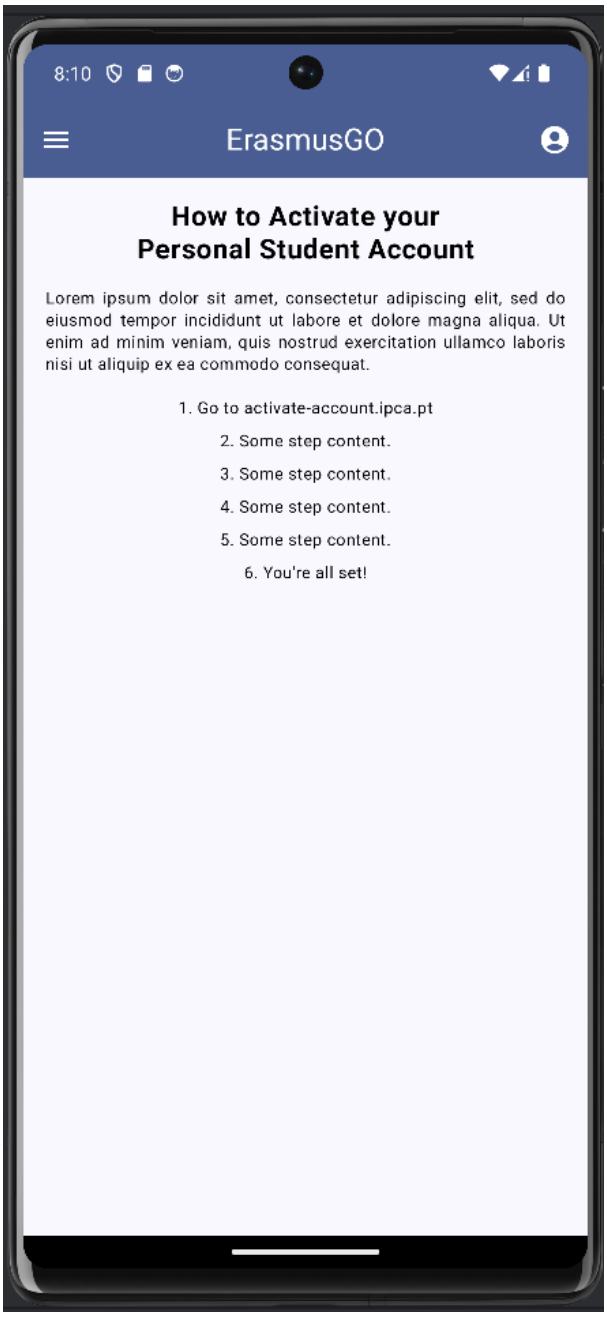
4.10 Academic Calendar

1. Navigate to the "Academic Calendar" section.
2. View key dates, holidays, and important academic events.



4.11 Activating Your School Account

1. Open the "Activate School Account" section.
2. Follow the step-by-step guide for activating your account.
3. Complete the activation process to access university services.



5. Tips and Tricks

- Regularly update your app to access new features and improvements.
- Use the menu to quickly find sections or features.

6. Troubleshooting and Support

If you encounter issues:

1. Check your internet connection.
2. Restart the app or your device.
3. Check the FAQ.
4. Contact us.

7. FAQ

Q: Is ErasmusGO free? A: Yes, the app is completely free to use.

Q: Who made ErasmusGO? A: The app was made by 3 enthousiastic Erasmus students who studied at IPCA in 2024.

Q: Can I use ErasmusGO offline? A: Some features require an internet connection, but basic functions like the campus map can be accessed offline after initial setup.

8. Version History

Version 1.0: Initial release with core features including registration, login, campus navigation, and event management.

Version 1.1: Added support for student discounts and academic calendar integration.
